MARTA POVO

In the existence of Marta Povo they converge and integrate naturally two large aspects: the creative artistic experience, both literary and visual arts, with deep knowledge of the comprehensive energy medicine, healing and spirituality. Her formal, color and space education, developed over twenty years of artistic work, with her great therapeutic training, psychic sensitivity and clinical experience over the last 27 years, make this author with an richly multifaceted character, with a broad and comprehensive vision of human being, his health and his evolutionary and creative potential.

She was born in 1951 in Barcelona [red more \(spanish link\)](#)

*'A human being is part of the whole that we call 'universe',
a part limited in time and space.
It experiences himself, his thoughts and feelings,
as something separated from the rest,
a kind of optical illusion of his consciousness'.*
