List of GEOCROM archetypes

We show you the therapeutic functions of the 77 Geocrom Archetypes, a very brief summary of *what they encode and decode*. The full information on knowing how these luminous geometric archetypes work in our various planes (physical, energetic, mental-soul, emotional and relational), can be found in the book *GEOMETRY AND LIGHT, a medicine for the soul*, third expanded edition. However, to use them coherent, effective and prudently, it is entirely necessary the professional training that teaches regularly Marta Povo in different types of seminars.
