INITIATION TO GEOCHROMOTHERAPY and REIKI GEOCROM

Online course

Distance training to start working therapeutically with Geometry and Colour. It addresses the causal diagnosis and the treatment with 14 Geocrom Archetypes. Basic and conceptual principles of sacred geometry and colors of light, as therapeutic and spiritual elements. Psychic connection of the therapist and impartiality of the energy diagnosis. Synergy of Reiki Healing with the Geocrom Method. Integration of the first healing codes coming from the Geochromotherapy and the healing work of the hands. Learning of 14 codes or psycho-psychic Geocrom archetypes.

This is the program of the first course of initiation to Geochromotherapy, but there is the second part where you learn more concepts and the 63 Archetypes that complete the Geochrome Method to heal the body, psyche, energy and soul.

Personalized course through direct communication with the teacher Marta Povo, through calls of whatsapp, skype, telephone or mail. A 100-page document is sent and protected, with links, videos, images, etc.

The original version of this course is a document in Spanish
