

HABITAT MEDICINE and Space Awareness

5 days Intensive Training for therapists, connection and impartiality of the causal diagnosis. Integration of organic and psychic feng shui, conscious geobiology, chromaticism, iconography and the psyche of a place.
Learning of the 28 Geocrom Archetypes to heal the habitat. Practices.

Program CONTENTS

- HABITAT DIAGNOSIS (first two days) (The same as in the Geochromotherapy Program):

- The Geocrom System as a new concept of health based on the evolution of consciousness and quantum physics. Simplicity and complexity of Geochromotherapy.
- General concepts about the active principles and the active force of Geometry, Colour and Light. The Unified Field of consciousness and energy.
- The different levels of Existential Reality and its medical-energetic and spiritual implications. 12 vibrational states of the human being and the three main planes. The therapist as a primary filter; strength of purpose and intention in relation to the large energy field.
- Initiation to the consistent work protocol from the impartial Essence of the therapist. The focus of consciousness. A mantric formula to link to the Unified Field; theory and practice for a habitat diagnosis.
- The different possible diagnostic systems: bioresonance, arterial pulse, dowsing, biosensor, supraconscious graphic selection. Screening and diagnostic practices.

- ENERGY PRINCIPLES AND ELEMENTS OF A HABITAT (last three days):

- Harmony, balance, beauty and health concepts in our living space. Introduction to integral and organic Feng Shui. The eastern energy matrix and its relationship to the current human psychology.

A new and detailed psychological, mental-soul and evolving energy reading of the eight energy zones and the axis of the housing regarding our mental-soul process. Two simultaneous Bagua. Energy flow concept in any habitat. Disturbing elements and beneficial elements, their shape and color.

- Introduction to Geo-Biology. Basic principles of geopathies and its 'change process' on Earth. Description of the main geopathies, technopathies, psychopathies and other energy disturbances.
- Analysis of the 'iconographic symbolism' of each decorative element of the place. Energy effects and consequences of art, craft and design. Energy chromaticism of a space.

- Habitat Geochromotherapy, energetic description of the 28 gelatin filters and comparative analysis of these archetypes. The 10 Healthy Habitat formulas with color and geometry encoded seawater. Differential characteristics of each light geometry and its particular impact on a work or private habitat.
- Filters or essences Geocrom diagnosis to correct and heal housing. Integration of the three disciplines (Fengshui, Geobiology and Iconography) to the Geochromotherapy of the Habitat.
- Treatments through planes; Analysis of house plans of each student.
- Correction of a real house (home to choose among students. Practice of the last day of the course).

ORGANIZATION AND COORDINATES:

- TRAINING PROGRAM PRICE: **500 €** Registration is done by paying 50 % of the full price to Instituto Geocrom
- LENGHT AND SCHEDULE: 5 day full-intensive course, from Wednesday at 9:00h until the following Sunday at 18:00h. Same schedule whether it is done in the educational space CSIS Jardin, Caldes de Montbui, as when done in a city.
- ACCOMMODATION: If the course takes place in CSIS·Jardin, FULL BOARD (diets included) is **35 € per person per day**, so 175 € per person per 5 days. Just bring comfortable clothes and something to record. If you do not want to be in the community living together, the institute can facilitate you the contact of other nearby hotels, both in Caldes de Montbui and in Barcelona-city. HALF BOARD option: If the person lives near Barcelona or Caldes de Montbui, and wants to come and go every day, the price of accommodation changes and is only charged 10 € for each meal a day. (not recommended because it cuts the group dynamics in retreat).
- PRE-REGISTRATIONS AND PAYMENT: By email to: instituto@geocrom.com. By calling to: (0034) 93 3190517 / (0034) 93 1701652 or Whatsapp: (0034) 629501829 . The seat reservation for the program can be paid in cash at Instituto Geocrom in Barcelona, but it is preferable to book and pay in advance through the On-line Store: www.Geocromonline.com. Only accommodation can be paid on-site the first day upon arrival.
- VALIDATION: If you want to **repeat** the program, there is 50% discount on the full price, except accommodation, eventhough the student took the program Geocrom Online. **Partial attendance**: If the *Diagnosis part* (2 starting days) is already taken, it is only necessary to attend the *Treatment part* : last 3 days (Price: **120 € per day**).
- RECOGNITION: At the end of the program you will receive an accredited CERTIFICATE of the program: HABITAT MEDICINE and Space Awareness, by Instituto Geocrom de Barcelona.
