

## INITIATION TO GEOCHROMOTHERAPY and REIKI GEOCROM

REIKI GEOCROM is a 16 hour experiential workshop for people who already know Reiki and have started at least the first level. It is not necessary to have taken any course of Geochromotherapy before. Basic integration of classical Reiki and Geocrom Healing and working with symbols and harmonious therapeutic guidelines of sacred geometry and colors of light.

### GEOCROM INITIATION PROGRAM

- Energy concepts of Geochromotherapy and Reiki. Therapeutic work with Sacred Geometry and Color. Codes, information, symbols and archetypes in the quantum vision of health.
- Preparation of the Reiki Geocrom therapist, its connection, purity and channel opening. Enter alpha status and work on healing from impartiality.
- Diagnostic means for healing with universal energy archetypes or symbols. Dowsing and selection cards. Brief dialogue between patient and therapist through the meaning of these codes in their therapy.
- Study the 14 geometric color patterns to project on the patient's body and aura. Archetypes of psyche-spiritual work and meaning of the 14 Geocrom filters, or initiation codes in Geochromotherapy applied also to Reiki healing. We work with the therapeutic functions archetypes: purple heptagon - pink pentagon - orange exagon - white octagon - yellow decagon - turquoise decagon - violet decagon - violet dodecagon - green circle - pink circle - blue circle - red circle and anagram enhancer.
- Practices of healing between patients, work dynamics with energy, hands, movements and handling of symbols of Reiki Geocrom.
- Revision work for students who already have a second level of Reiki, or masters, and for students who have already taken courses in Geochromotherapy.
- This course, depending on the country or the facilitator teacher, can be celebrated along a weekend, or by distributing the 16 hours in several days or weeks, although the program and course development is always the same in all countries . If the student, after working with Reiki Geocrom for a while, wants to expand his/her knowledge of the remaining 63 archetypes of Geochromotherapy, there are specialized courses organized by the Geocrom Institute in Barcelona, Chile, Argentina and Colombia.
