

FUNCTIONS OF THE GEOCROM ARCHETYPES

what CODIFIES and what DECODIFIES each one

WHITE TRIANGLE

Codifies, activates: capacity for change, faith, security, take another step in our lives

Decodes, corrects: father archetype, problems with patriarchy, insecurity, distrust

WHITE PENTAGON

Codifies, activates: masculine energy, assertiveness, ability to drive, act, fecundate, direct, create

Decodes, corrects: excess of femininity, inaction, lack of direction, impotence, sterility

WHITE HEXAGON

Codifies, activates: existential rebirth or new stage, a solid foundation for a new life, purity

Decodes, corrects: changes of stage and circumstances, difficulty in making a reset, in allowing a rebirth and establishing solid basis.

WHITE HEPTAGON

Encodes, activates: knowing how to be a witness to one's existence, allowing, waiting, attending, observing, developing equanimity

Decodes, corrects: Impatience, criticism, lack of detailed observation, guilt, not being impartial

WHITE OCTOGON

Codifies, activates: tranquillity, comfort, hope, beauty, peace, serenity, past memories, softness

Decodes, corrects: broken heart, healing of old soul pains, sufferings, memories and victimhood

WHITE DECAGON

Codifies, activates: feminine energy, ability to manage and develop projects, learning to wait, sweetness, tenderness

Decodes, corrects: excess of masculinity, hyperactivity, hardness, excessive direction, sterility

WHITE DODECAGON

Encodes, activates: purifying one's guilt and of the ancestors, understanding the correct use of free will.

Decodes, corrects: feeling a victim of fate, being abused, accumulated charge, manipulation, accusations

WHITE OVAL

Encodes, activates: absorption of the aural field, recovery of the vital space, cleanliness, purity and transparency of the aura.

Decodes, corrects: dense and heavy, shrunken and impermeable aura, energy leaks, low energy quality

WHITE CIRCLE

Encodes, activates: expanding one's Christic energy and the strength of unconditional love, developing impeccability and healing

Decodes, corrects: finding your own healing energy, differentiating between emotion and feeling

.....

YELLOW TRIANGLE

Encodes, activates: freedom of Being, strength for detachment from unhealthy habits, beliefs and matter

Decodes, corrects: attachments and lack of autonomy as an individual, dissociating from toxic, chronic emotions

YELLOW PENTAGON

Encodes, activates: the ancestral wisdom, confronting the causes of conflicts, developing clear intuition.

Decodes, corrects: lack of lucidity and intuition, intellectual obtuseness, inability to see the causes, only the effects

YELLOW DECAGON

Encodes, activates: inner prosperity, optimization of psycho-material and energy resources, intelligence.

Decodes, corrects: codes of scarcity, lack of health, lack of merit, inferiority complexes.

YELLOW CIRCLE

Encodes, activates: certainty, assertiveness, inner flame of the soul, brilliance, impeccability, strength

Decodes, corrects: insecurity, inability to create, organic malformations, electromagnetic field interference

CREATIVITY ARCHETYPE (yellow)

Encodes, activates: initiative, imagination, inspiration, intuition, in the earthly and practical planes.

Decodes, corrects: routinely behaviour, boredom, apathy, inability to fecundate.

.....

ORANGE TRIANGLE

Codifies, activates: activation, motivation, invigoration of the human personality, action

Decodes, corrects: depression, vital demotivation, apathy, laziness, leverage, life without meaning

ORANGE SQUARE

Encodes, activates: prosperity, resources that come from synchronicity with the abundance of the universe, co-creation

Decodes, corrects: stagnating resources, lack of opportunities, scarcity, lack of means, lack of synchronicity

ORANGE HEXAGON

Codifies, activates: globalizing vision, association of ideas and concepts, regulation of the metabolism

Decodes, corrects: the linear mind, misalignment of own energies, biological disharmony, lack of holistic vision

ORANGE DECAGON

Codifies, activates: valuing and appreciating the present moment, finding joy with current circumstances, vitalize the force of the present moment.

Decodes, corrects: melancholy, longing, depression, loss or breakage of past bonds

ORANGE CIRCLE

Encodes, activates: joy of living in fullness, motivation, search for deep knowledge

Decodes, corrects: superficiality, lack of deep motivation, lack of vital gratitude

.....

RED TRIANGLE

Codifies, activates: braveness, the ability to face the challenges and rough edges of existence

Decodes, corrects: fears, lack of confidence, lack of responsibility in adults

RED CIRCLE

Codifies, activates: capacity for efficiency, revitalization, concretion, regeneration, rejuvenation energy.

Decodes, corrects: lack of efficiency, laziness, untimely relaxation, devitalisation, pre - and post surgery conditions.

RED OVAL

Encodes, activates: vital and energy fluids, provides quality of energy in the blood

Decodes, corrects: all fluid drive, stagnated situations, activating new circuits.

ARCHETYPE YANG (red)

Encodes, activates: strength, action, initiatives, heat, libido, dynamism, terrestrial planes

Decodes, corrects: excess of Yin level, introspection, degenerative diseases, cold, laziness.

.....

PINK TRIANGLE

Encodes, activates: permissiveness, elasticity, flexibility and peace with respect to human relationships

Decodes, corrects: anger, reactivity to the acts of others, intolerance, not being at peace with the outside world.

PINK SQUARE

Codifies, activates: overview and memory to find the source of an unconscious conflict.

Decodes, corrects: ignoring or not seeing the pathological causes of a conflict, not remembering, disconnection with the unconscious.

PINK PENTAGON

Encode, active: emotional centering, preservation and protection of any alteration of the soul, the psyche and the body

Decodes, corrects: excessive reactivity to shocks, aggression, emotional contingencies, drama.

PINK HEXAGON

Encodes, activates: self-esteem, love and respect for yourself, transcending self-centeredness, opening of the heart.

Decodes, corrects: lack of emotional integrity, insecurity, lack of self-esteem and respect for your Being

PINK OCTOGON

Encodes, activates: the ability to forgive, to recognize, to accept others, to transcend the karma of relationships.

Decodes, corrects: resentment, intolerance both unconscious and subconscious.

PINK DECAGON

Encodes, activates: control of the primitive warlike force, calming of the impetus, pacifying, relativizing.

Decodes, corrects: aggressive action, verbal or mental, arrogance, stress, battle .

PINK DODECAGON

Decodes, corrects: the existential conflict of your place in the world and your functionality in it, indecision.

PINK CIRCLE

Encodes, activates: deep inner silence, emotional resilience and peace, inner peace, meditation.

Decodes, corrects: obsessions, internal and external continuous discourse, disconnection from Love-Essence.

.....

MAGENTA OCTOGON

Codes, activates: finding your truth, being yourself, transparency, activating your Christ seed.

Decodes, corrects: self-deception, lack of sincerity, falsehood, role play, decoding appearances.

MAGENTA CIRCLE

Encodes, activates: completion of the 12 helices of human DNA, connection with the inner voice, recovery of the own capacity, sensibility.

Decodes, corrects: obstructed genetic codes thru acceleration and regeneration of the existential energy ,lack of adequacy.

UNITY ARCHETYPE (magenta)

Encodes, activates: identification and valuation of your cosmic origin, return to the origin, be an equal witness.

Decodes, corrects: identifying with present circumstances, exaggeration, disconnection with Higher Self.

.....

PURPLE HEXAGON

Codes, activates: cleanses and preserves the uniqueness of the soul, the individuality, the ability to do your work in freedom.

Decodes, corrects: parasitic energy forces , detoxifying entities or negative charges.

PURPLE HEPTAGON

Encodes, activates: releasing the aural field by emptying and preparing it to receive fresh and new information.

Decodes, corrects: saturation, accumulated load of memories by decoding and neutralizing the excesses.

PURPLE DODECAGON

Encodes, activates: impeccability, emptying of accumulated memory traces, own or acquired.

Decodes, corrects: miasmas and tendencies by releasing traces of the past, and patterns of repetition.

PURPLE CIRCLE

Encodes, activates: the power to see everything hidden from the unconscious self, the accumulated and covered, being able to free it.

Decodes, corrects: denied or ignored covered emotions, removes emotional stagnation.

.....

VIOLET TRIANGLE

Encodes, activates: nervous relaxation, fluid transmission of information, order, peace, self-esteem.

Decodes, corrects: alterations of the nervous system with respect to emotions, pituitary gland, endocrine system.

VIOLET SQUARE

Encodes, activates: understanding Death, mourning lucidly and consciously, able to accompany the dying, detachment.

Decodes, corrects: the attachment to the physical, codes of death with suffering, death pattern of cells and energy

VIOLET PENTAGON

Codifies, activates: ability to organize the evolutionary force, completing projects and being consistent.

Decodes, corrects: chaos and disorder, incoherence with the initiated, the endocrine system.

VIOLET OCTOGON

Encodes, activates: allowing changes, knowing how to listen to modify and evolve, have a clear vision

Decodes, corrects: the fear of death, changes, rigidity, stubbornness, not see beyond, anguish, banality.

VIOLET DECAGON

Encodes, activates: purity and integrity of the being, clean purpose without emotional interference, an empty and pure psyche

Decodes, corrects: toxicity, emotional and energetic density , psychic contamination.

VIOLET DODECAGON

Encodes, activates: opening the channel of perception, facilitating clear expression, knowing how to empathize with the soul presence.

Decodes, corrects: difficulties of expression and lack of empathy, bad transmission, inhibition, sexual repression.

VIOLET CIRCLE

Encodes, activates: the dignity of your Being, raising the vibration, subtilizing, spiritualizing, optimizing health.

Decodes, corrects: the mind density, refines everything dense and slow, changing the low energy quality.

SMAR HARA YANTRA (violet)

Encodes, activates: the awakening of the kundalini, creativity, will to materialize, self-regeneration, Love.
Decodes, corrects: lack of connection with the deep longing of the Self, restoring the organism, creating life

.....

TURQUOISE TRIANGLE

Codifies, activates: establishes connection bridges, restores networks of personal union, promotes relational elasticity.

Decodes, corrects: broken skin, restores broken or damaged relationships, creates collagen ,helps to create networks.

TURQUOISE HEXAGON

Encodes, activates: gives structure, supports and gives solidity to the earthly existence of the soul, ego and body.

Decodes, corrects: bones, tissues, framework and strength, treats fragility, gives structure to the character.

TURQUOISE DECAGON

Encodes, activates: keeping the auric, electromagnetic and mind fields clean and vibrant.

Decodes, corrects: appliances, telephones, geological structures , meridians, Nadi networks, chakras and thoughts.

TURQUOISE DODECAGON

Codifies, activates: eagle vision, strategy to evolve, seeing beyond the evidences.

Decodes, corrects: existential stagnation, dead ends, lack of foresight.

TURQUOISE CIRCLE

Encodes, activates: connection to the systemic network of the universe, tuning into one's mission in the world, tuning with life.

Decodes, corrects: re-location within a context or axis, reordering the function of cells and subtle fields.

TURQUOISE OVAL

Encodes, activates: entering into the energy of clear love, without conditions, entering into the energy of freedom and respect.

Decodes, corrects: an affective situation clarifying confusion where the roles of each one are unclear.

.....

BLUE TRIANGLE

Encodes, activates: intuition, guidance, lucidity, protection, clarity of vision, concentration.

Decodes, corrects: disconnection with the guides, lack of clarity, pituitary gland, endocrine system

SQUARE BLUE

Encodes, activates: link and coordination of the soul with the Ego, learning to direct the personality.

Decodes, corrects: obsessions, fixations, excess of Ego identification.

BLUE PENTAGON

Encodes, activates: sense of belonging to the Cosmos, understanding the utility of the ego and its resources.

Decodes, corrects: Lack of humility, incomprehension and mismanagement of personality.

BLUE HEXAGON

Codifies, activates: biophotons, information circuits, lucidity, clarity, comprehensive speed

Decodes, corrects: disengagement of cellular and etheric communication pathways, interrelating different codes.

BLUE DECAGON

Encodes, activates: optimal response to psycho-electric codes that impede freedom

Decodes, corrects: lack of independence and freedom of creative response, lack of inspiration, static and parasitic electricity

BLUE DODECAGON

Encodes, activates: focusing, intentionality, releasing of emotions that prevent seeing what they cover.

Decodes, corrects: gaining understanding of the origin of toxic dependencies, by obtaining strength of purpose and clarity of objectives.

BLUE CIRCLE

Encodes, activates: purpose, direction, focus, connection with Gaia's strength, protection.

Decodes, corrects: insecurity, not making viable and realistic projects, not knowing how to root or direct.

.....

BLUEGREEN PENTAGON

Encodes, activates: seeing and appreciating your gifts and talents, by self-affirmation, self-determination, self-healing

Decodes, corrects: insecurities, inferiority complex, not recognizing own qualities, not knowing how to use your unique talents.

BLUEGREEN EXAGON

Encodes, activates: cranial -sacral alignment, reconnection of the energy axis with the universal network, justice, harmony.

Decodes, corrects: de-compensation, axis alignment, polarity, harmony, charisma, symmetry, equity.

BLUEGREEN CIRCLE

Encodes, activates: awakening of the buddhic dimension, compassion, discernment, lucidity, timelessness.

Decodes, corrects: lack of focus, how to distinguish the evolutionary from the involutive, clear intention, observation.

ARCHETYPE YIN (bluegreen)

Encodes, activates: introspection, intuition, inaction, cold, calm, rest, reflexion. Be in terrestrial planes.

Decodes, corrects: levels of heat excess, rationality excess, hyperactivity, reactivity.

.....

GREEN TRIANGLE

Encodes, activates: Heritage, order and healing of the genealogical line of origin and health.

Decodes, corrects: energetic DNA, inherited problems and attitudes, familiar themes.

GREEN SQUARE

Codifies, activates: detachment of victimhood and awareness of the information that is given by pain, which comes from the soul.

Decodes, corrects: not identifying with pain, ignoring it, expanding the threshold of pain, exaggerating it.

GREEN HEXAGON

Encodes, activates: preserving the purity of your soul, learning not to get intoxicated, freeing yourself from toxic situations.

Decodes, corrects: physical and energetic toxicity, avoids slow self-destruction, strengthening your healthy means.

GREEN HEPTAGON

Encodes, activates: coherence, integration of your internal contradictions, psychic maturity.

Decodes, corrects: psychosis, division, self-contradiction of concepts and feelings, anxiety

GREEN DECAGON

Encodes, activates: educates and extends sensibility and sensory perception, being less primitive and more sensitive and subtle.

Decodes, corrects: the lack of subtle perception, the inability to adapt to the environment, some alteration of the 5 senses.

GREEN CIRCLE

Codifies, activates: healing and knowing how to heal, relaxation and the balance of vital and evolutionary cycles

Decodes, corrects: the etheric and energetic codes of physical and mental diseases, the origin or pattern

SRI YANTRA (green)

Encodes, activates: Integration of the two cerebral hemispheres or of the two different cognitive abilities, clairvoyance

Decodes, corrects: disintegration of identity, excessive identification with a single hemisphere
.....

WATER ELEMENT

Encodes, activates: levels and compensates excess Fire. Provides adaptability, cohesion, flexibility.

Decodes, treats: hyper-action, very mental direction, fever, nervous system, kidney, bladder hydration.

FIRE ELEMENT

Encodes, activates: levels and compensates excess water, aids with memory, imagination, concentration, immunity.

Decodes, corrects: heat, drought, rheumatism, obesity, metabolism, hypotension, frigidity, dry puddles.

AIR ELEMENT

Encodes, activates: levels and compensates excess Earth, provides high ideals, gives focus beyond, inspiration, longings, dreams.

Decodes, corrects: earth attachments, lung, asthma, metabolism issues, high blood pressure, small and large intestine problems.

EARTH ELEMENT

Encodes, activates: levels and compensates excess Air, helps build, materialize, stabilize, rebuild.

Decodes, corrects: the excess of idealism, fantasy, lack of practicality, bones, digestive, weakness, hair.

LEFT DRAWN SPIRAL

Encodes, active: self-awareness, self-worth, self-union, coherence, strong immunity

Decodes, corrects: devaluation, lack of awareness of your own values and your personal dignity.

RIGHT DRAWN SPIRAL

Encodes, activates: sense of fraternity, appreciation of your environment, love of humanity, sharing, gratitude.

Decodes, corrects: the non-acceptance, the problems of human relationship and group projects, challenges

ENHANCEMENT ANAGRAM

Encodes, activates: high self-affirmation, connection with the internal master, strengthens and stabilizes the inner flame.

Decodes, corrects: feeling unprotected, disconnected from yourself, not knowing how to sublimate your own potential.
